

ACADEMIC CURRICULUM VITAE

Inés Fernández Guallart, DDS

EDUCATION

2019- 2020

Certificate, **Interdisciplinary Fellowship (Implant Dentistry)** (960h/88.5 CU)

New York University, New York, NY

2017-2019

Certificate, **Advanced Program for International Dentists in Implant Dentistry** (3,612h/345.5 CU)

New York University, New York, NY

2016-2017

Certificate, **Clinical Internship in Oral Prosthetics** (46 ECTS)

Universitat Internacional de Catalunya (UIC), Barcelona, Spain

2013-2014

Certificate, **Postgraduate Program in Endodontics** (60 ECTS)

Universitat de Barcelona (UB), Barcelona, Spain

Certificate, **Postgraduate Program in Aesthetic and Cosmetic Dentistry** (18,3 ECTS)

Societat Catalana d'Odontoestomatologia de Catalunya i Balears (SCOE), Barcelona, Spain

2012-2103

Certificate, **Postgraduate Program in Aesthetics and Oral Rehabilitation** (9,2 ECTS)

Centro Internacional de Estudios Superiores e Investigación Dental (CIDESID), Barcelona, Spain

2011

Certificate, Postgraduate Summer Internship “**Comprehensive Dentistry in Adults**” (6 ECTS)

Diploma, **Director of Radiodiagnostic installations**

Universitat de Barcelona (UB), Barcelona, Spain

2006-2011

Degree, **Bachelor of Dentistry** (DDS) (2006-2011)

Universitat de Barcelona (UB), Barcelona, Spain

EMPLOYMENT HISTORY

2006- 2017 **Private practice (P/T). Spain**

10/2014 – 05/2017: **Clínica dental Echeverría** (Barcelona, Barcelona, Spain)
Specialist in Endodontics, aesthetics, and general dentist

01/2012 – 05/2017: **Clínica dental Solé** (Vilanova i la Geltrú, Barcelona, Spain)
Specialist in Endodontics, aesthetics, and general dentist.

04/2014 - 05/2016: **Clínica Gargallo** (Torredembarra and Tarragona, Tarragona, Spain)
Specialist in aesthetics and restorative dentistry

11/2014 - 05/2015: **Clínic Dent** (Santa Margarida i els Monjos, Barcelona, Spain):
Specialist in endodontics and restorative dentistry.

02/2013 – 10/2014: **Clínica NACAR** (Hospitalet de Llobregat, Barcelona, Spain)
General dentist.

1/2012 – 01/2013: **Clínica Dental Guifré** (Gavà, Barcelona, Spain)
General dentist.

03/2012 – 02/2013: **Clínica Dental Adeslas** (Tarragona, Tarragona, Spain)
General Dentist

04/2008 – 12/2011: Clínica Dental Solé (Vilanova i la Geltrú, Barcelona, Spain)
Clinic Assistant and hygienist

2011 **Volunteer work in a Non-Governmental Organization (NGO)**

August 2011- Volunteer Dentist in the project “*Hospitals for Africa*” (*Fundación Recover* - San Martín de Porres Hospital, *Djunand, Cameroon*)

General dentistry and basic surgery. Provider of dental education to the former dentist in the hospital.

2015- Currently: **Teaching Experience (P/T). Spain. USA**

2019-2020 – Fellow in the “Advanced Program for International Dentists in Implant Dentistry

- *Prosthodontics teacher for undergraduate “Prosthodontics Honors Students” course*
- *Supervisor in “Fixed Laboratory Procedures” course*

New York University, New York

2019. Live Surgery & Hands-on in Soft Tissue and Sinus Augmentation (iACD)

Universidad Francisco Marroquín, Guatemala City, Guatemala

2015-2017 – Assistant Professor in the Postgraduate Program in Endodontics (P/T)

Universitat de Barcelona, Spain

HONORS / AWARDS

July, 2020 - Arthur Ashman Department of Periodontology and Implant Dentistry, NYU, NY

- Award for Outstanding Leadership

April, 2020- 1st NYU College of Dentistry Research Day Virtual Poster Competition

- First Place in Poster Presentation in the Programs for International Dentists – Implant Dentistry: *3-D Implant positioning: An innovative tool*
- Third Place in Poster Presentation in the Programs for International Dentists – Implant Dentistry: *Technique to Accurate Place Access Holes in Cement Retained Implant Restorations*

August, 2019- ICOI World Congress XXXVII, NY, NY

- Second place in poster presentation: *A technique to Accurate Localizing Screw Access Hole in Cement-Retained Implant Restoration*

July, 2019 - Arthur Ashman Department of Periodontology and Implant Dentistry, NYU, NY

- Award for Outstanding Leadership

November, 2018 - NYU Alumni Symposium 2018

- Second place in Poster presentation: *Implant Placement Following Surgical Removal of an Impacted Canine and Site Development – A Case Report*

January, 2018 – Advanced Program in Implant Dentistry, NYU

- Second place in Full Arch Wax-up Competition

June, 2014- Postgraduate Program in aesthetic and cosmetic dentistry (SCOE)

- Best aesthetics and cosmetics oral communication: *My mother's case*

June, 2006 – Generalitat de Catalunya, PAU examination (admission tests for the University)

- Honor in PAU examinations – 9,43/10 GPA

SCHOLARSHIPS / GRANTS

2020. Implant Dentistry Research and Education Foundation (IDREF) Grant

Reconstruction of Mandibular Vertical Defects with Hydroxiapatite 3D-Printed Barrier Membranes. Universidad Europea Miguel de Cervantes (Valladolid, Spain). Juan Lara Chao, Jose L Mompell, **Inés Fernández Guallart**

2018. Military School - Zirkonzahn Education (Froum & Cho Private Found / wax-up contest)

2016. Obra Social La Caixa's Scholarship for studying in North America and Asia-Pacific

2013. SCOE's Scholarship for postgraduate studies

2006. Generalitat de Catalunya's scholarship for the first year of University Studies

MEMBERSHIP IN PROFESSIONAL SOCIETIES

2020. International Team for Implantology (ITI) – Member

American Prosthodontic Society (APS) - Member

2019. International Congress of Oral Implantology (ICOI) – **Diplomate**

2018. Academy of Osseointegration (AO) – Member

2014. Spanish Association of Endodontics (AEDE)– Added partner

2009. Societat Catalana d'Odontostomatologia de Catalunya i Balears (SCOE) – Catalan and Balear's society of Dentistry (SCOE)– Added partner. Member of the organisation committee in SCOE Garraf's affiliated section

2006. Catalan Association of Dentistry (COEC) – Added partner

PUBLICATIONS

- *Simulation of Soft Tissue in 3D Printed Models for Guided Bone Regeneration Education.* Buddhapoom Wangsrimongkol, Natacha Reis, **Inés Fernandez Guallart**, Paul Yu. Journal of Oral Biology 2020.
- *Spontaneous Sequestration of Bisphosphonate Related Oro-antral Fistula – A Case Report.* Stuti Muchhala, Macarena Rodríguez Fernández, Adam Barsoum, Viraj Patel, **Inés Fernández Guallart**, Giuseppe Grasso. Journal of Oral Biology 2020.
- *Horizontal Ridge Augmentation Using PDLLA Fixing Screw in Combination with a Block Graft in a Tunnel Technique to Replace a Maxillary Anterior Missing Tooth – A Case Report.* Reem Alghamdi, Grace Guei-hua Hu, Mitsuhiro Sawada, Takahito Kakumoto, **Inés Fernández Guallart**. Journal of Oral Biology 2020.
- *Full Mouth Reconstruction in a Diabetes Mellitus Type I Patient – A Case Report with 5 Years Follow-up.* Roque Braz de Oliveira, João Gaspar, Natacha Reis, **Inés Fernández Guallart**. Journal of Oral Biology 2019.
- *A Case Report of Resin Facing Implant Restoration in Maxillary Anterior Incisor.* Parnward Hengjeerajaras, Ki Bum Kim, Bhupesh Mandali, Grace Hu, Jou Tzu Huang, **Ines Fernandez Guallart**, Reem AlKhalil. Journal of Oral Biology 2018.

Manuscripts accepted for publication (not published yet)

- *Using Interdental Tissue in Conjunction with a Connective Tissue Graft Harvested from The Tuberosity and a Tunneling Approach to Reconstruct Peri-implant and Papillary Soft Tissue in the Esthetic Area - A Case Report.* Ye Shi, **Inés Fernández Guallart**, Mashal Alrajhi, Sang-Choon Cho, Stuart J. Froum. Compendium of Continuing Education in Dentistry 2020.
- *Patient-Related Risk Factors for Maxillary Sinus Augmentation Procedures: A Systematic Literature Review.* Martin Leung, **Ines Fernandez Guallart**, Stuart J. Froum. International Journal of Periodontics and Restorative Dentistry.

INVITED PRESENTATIONS

ORAL COMMUNICATIONS

February 27-29th 2020 – ICOI Winter Symposium – Houston, Texas

- *Various Factors Influencing Successful Maxillary Sinus Augmentation. Evolution of Procedures*

October 3rd- 4th, 2019 - Cambodian Dentists Invitation - Surgical and Restorative Implant Dentistry – NYU, New York, NY

- *Hands-on for Sinus Bicortication*

Inés Fernández Guallart, Parnward Hengjeerajaras, Eduardo González de la Torre

June 6- 9, 2019 The 13th ISPRD – Boston, Massachusetts

- *Factors Influencing Interproximal Papilla Shape Before and After Immediate Implant Placement and Immediate Provisionalization.*

Martin Leung, Panpicha Maketone, Reem Al Kahlil, Takahito Kakumoto, Inés Fernández Guallart, Buddhapoom Wangsrimongkol, Takanori Suzuki, Stuart Froum, Sang-Choon Cho.

November 8-10. 29th Annual NYU/ICOI Implant Symposium, Pre-Alumni Symposium - NYU, New York, NY

- *Maxillary Sinus Augmentation Revisited (Minimally invasive Sinus Augmentation)*

Inés Fernández Guallart, Parnward Hengjeerajaras.

October 31-November 2, 2018. 2018 Shanghai World Congress – iACD, Shanghai

- *Maxillary Sinus Augmentation Revisited (Minimally invasive Sinus Augmentation)*

October 25-26, 2018. NEIS. Boston Boston, Massachusetts

- *Maxillary Sinus Augmentation Revisited (Minimally invasive Sinus Augmentation)*

Inés Fernández Guallart, Parnward Hengjeerajaras.

August 3 and 4, 2018 Cambodian Dentists Invitation - Surgical and Restorative Implant Dentistry – NYU, New York, NY

- *Maxillary Sinus Augmentation Revisited (Minimally invasive Sinus Augmentation)*

Inés Fernández Guallart, Parnward Hengjeerajaras.

February 22, 2018 Seattle Study Club – Journey for Excellence Jersey City, NJ

- *Reconstruction of Peri-Implant Tissue with Connective Tissue Harvested from Tuberosity Area - A Case Report*

Mashal Alrajhi, Inés Fernández Guallart.

November 9-10, 2017 Alumni Symposium, NYU, New York

- *Reconstruction of Peri-Implant Tissue with Connective Tissue Harvested from Tuberosity Area - A Case Report*

Mashal Alrajhi, Inés Fernández Guallart.

March 26, 2016 “Tips for the youngest” conference - COEC, Barcelon, Spain

- *Endodontic Tips for Dummies*

Inés Fernández Guallart, Quim Gil Renau

October 30 – November 1, 2014 - XXXV Spanish Endodontics Association’s annual meeting (AEDE) - Granada, Spain

- *Retreatment of a canal filled with MTA and an only gutta-percha point*

POSTER PRESENTATIONS

April 29-May 1st, 2020 – 1st NYU College of Dentistry Research Day Virtual Poster Competition

- *Modified Socket Shield Technique using a Guided Trepine Bur to Section the Root. 2 Case Reports*
Inés Fernández Guallart, Buddhapoom Wangsrimongkol, Michelle Angelica Manguiat, Giuseppe Grasso, Sang-Choon Cho
- *Technique to Accurate Place Access Holes in Cement Retained Implant Restorations*
Buddhapoom Wangsrimongkol, Inés Fernández Guallart; Chih Hao; Sang-Choon Cho;
- *3-D Implant positioning: An innovative tool*
Adam Barsoum, Naoki Shoji, Inés Fernández Guallart, Sang ChoonCho

November 29- Dec 4th, 2019 – 95th Greater New York Dental Meeting, New York, NY

- *Clinical Considerations for Patients with Cleft Lip and Palate. 4 case series*
Inés Fernández Guallart; Buddhapoom Wangsrimongkol; Sang-Choon Cho

August 15-17, 2019 – ICOI World Congress XXXVII, New York, NY

- *Clinical Considerations for Patients with Cleft Lip and Palate. 4 case series*
Inés Fernández Guallart; Buddhapoom Wangsrimongkol; Sang-Choon Cho
- *A technique to Accurate Localizing Screw Access Hole in Cement-Retained Implant Restoration*
Buddhapoom Wangsrimongkol, Inés Fernández Guallart; Chih Hao; Sang-Choon Cho

April 11-12, 2019 NYU College of Dentistry Research Scholarship Expo New York, NY

- *Correlation Between Mucoperiosteal Flap Attachment and Schneiderian Membrane Perforation in Sinus Augmentation Procedures: 10 Case Series with a Proposed Mucoperiosteal Attachment Classification*

Inés Fernández Guallart, Takahito Kakumoto, Mazen Natour

- *A New Surgical Drill Kit for Tapered and Straight Implant*

Takahito Kakumoto, Inés Fernández Guallart, Arvin Kadempour

March 13-16 Academy of Osseointegration – Washington DC

- *Correlation Between Mucoperiosteal Flap Attachment and Schneiderian Membrane Perforation in Sinus Augmentation Procedures: 10 Case Series with a Proposed Mucoperiosteal Attachment Classification*

Inés Fernández Guallart, Takahito Kakumoto, Viraj Patel, Takanori Suzuki, Jeffry Scolnick, Stuart Froum, Sang-Choon Cho, Peter Loomer.

February 28- March 2 ICOI Central America - San Jose, Costa Rica

- *Innovative Surgical Osteotomy Utilizing Guided Drills - Drill Kit for Placement of Tapered and Straight Implants*

Takahito Kakumoto; Inés Fernandez Guallart; Eduardo Gonzales; Takanori Suzuki; Zahra Bagheri; Mazen Natour; Stuart Froum; Sang Choon Cho

November 29, 2018 94th Greater New York Dental Meeting, New York, NY

- *Implant Placement Following Surgical Removal of an Impacted Canine and Site Development – A Case Report*

Inés Fernández Guallart, Takahito Kakumoto, Mitchel Bloom.

November 10, 2018 29th Annual NYU/ICOI Implant Symposium – NYU, New York, NY

- *Implant Placement Following Surgical Removal of an Impacted Canine and Site Development – A Case Report*

Inés Fernández Guallart, Takahito Kakumoto, Mitchel Bloom.

April 25, 26 & 27, 2018 NYU College of Dentistry Research Scholarship Expo New York, NY

- *Implant Placement Following Surgical Removal of an Impacted Canine and Site Development – A Case Report*

Chen-Han Yang, Inés Fernández Guallart, Mitchell Bloom.

- *Comparison of Efficiency and Function of Different Trephine Designs Used in Dental Implant Procedures*

Inés Fernández Guallart, Chen-Han Yang, Sun Ho Kim

January 11-13, 2018 ICOI Winter Symposium. Florida

- *Reconstruction of Peri-Implant Tissue with Connective Tissue Harvested from Tuberosity Area - A Case Report*

Inés Fernández Guallart, Mashal Alrajhi, Ye Shi, Takanori Suzuki, Stuart J Froum.

November 26, 2017 93rd Greater New York Dental Meeting, New York, NY

- *Clinical advantages of two implants in single molar missing area*

Chen Han Yang, Inés Fernández Guallart, Michael Bral.

November 9-10, 2017 Alumni Symposium

- *Clinical advantages of two implants in single molar missing area*

Chen Han Yang, Inés Fernández Guallart, Michael Bral.

ADDITIONAL ADVANCED CONTINUEING EDUCATION COURSES AND HAND-ONS

- 2020.** Winter Time Publication Workshop (NYU) – New York (32h)
- 2019.** Live Surgery & Hands-on in Soft Tissue and Sinus Augmentation (iACD) - Guatemala
- Winter Time Publication Workshop (NYU) – New York (32h)
- 2018.** Winter Time Publication Workshop (NYU) – New York (32h)
- 1 day Workshop on the all-on - 4 concept at NYU (Malo Clinic) – New York
 - Zimmer Cadaver Course for NYU and UCONN – New Jersey, USA.
 - Military School (Enrico Steger) - Zirkonzahn Education, Molini Di Tures, Italy (4 days)
- 2016.** XXXVII Spanish Endodontics Association’s annual meeting (AEDE) – Donosti (24h).
- *Mortal Kombat (Hirata Vs Kina) - COEC, Barcelona (8h).*
 - *Excellence with composite resin in anterior sector (Newton Fahl) - COEC, Barcelona (8h).*
 - *First Aids Course (Girona’s University) – Clínica Echeverría, Barcelona (8h).*
 - *Updating in Aesthetic Dentistry- SCOE, Barcelona (4h).*
 - *Conference: Tips for the youngest – COEC, Barcelona (8h).*
- 2015.** Supragingival Aesthetics and Restorative Dentistry - SCOE, Barcelona (8h).
- Updating in implant prosthesis – SCOE, Barcelona (4h).
 - Coaching for the Dental Clinic – Coaching Dental, COEC, Barcelona (16h).
- 2014.** II *Autrán Dental Studio’s ex-alumni meeting: Secrets of Magic Circle (Manauta, Salat) & Tricks and spells in aesthetic dentistry (Hirata) - SCOE, Barcelona (16h).*
- *XXXV Spanish Endodontics Association’s annual meeting (AEDE) - Granada (24h).*
- 2013.** Minimum Intervention Dentistry. Principles and clinical application - PGATON FORMACIÓN, Barcelona (2,1ECTS).

- Posterior rehabilitation through a minimally invasive perspective. *Onlays* - PGATON FORMACIÓ (15hours).
 - *Excellence in adhesion and composite resins* - 3M Espe, University of Valencia (UV) (8h).
 - Nanotechnology application in bleaching and hypersensitivity treatment – COEC, Barcelona (3h).
 - *Updating in Periodontics* - SCOE, Barcelona (4h).
 - *Surgical and non-surgical treatment in periodontics and Implant Dentistry for the general dentist* - COEC, Barcelona (8h).
 - *Theoretical surgery course* - COEC, Barcelona (5h).
- 2012.** *Updating in Paediatric Dentistry* - COEC, Barcelona (8h).
- *Practical application of homeopathies in dentistry* – COEC, Barcelona (5h).
 - *Clinical application of immediate loading* - CIDESID & DentalTech, Barcelona (10h).
 - *Updating in complementary techniques* - SCOE, Barcelona(3h).
 - *Direct and indirect restorations* - SCOE, Barcelona(4h).
 - *Implant treatment in the aesthetic sector* - COEC, Barcelona (8h).
 - Urgent situations in the dental clinic. *C.P.R.* – COEC, Barcelona (4h).
 - Integration of Aesthetics, Periodontics and Implant Dentistry in the whole mouth treatment - COEC, Barcelona (7h).
 - *Updating in Dental prosthesis* – SCOE, Barcelona (3h).
- 2011.** When, why and how to place a root post – SCOE, Barcelona (9h).
- *Updating in Endodontics* – SCOE, Barcelona (4h).
 - Updating in Oral Surgery and Implant Dentistry – SCOE, Barcelona (4h).
 - *Conference: Aesthetic Day* – UIC, Barcelona (5h).
 - *XXXII Open session: Basic Theoretical-practical surgery course* - Clínica Teknon, Barcelona (4h).
- 2009.** Oral oncology for dentists. Clínica Teknon (5h).
- *XXX Open session: Basic Theoretical-practical surgery course* - Clínica Teknon, Barcelona (4h).
 - First Aids Diploma - *Pere Tarrés Foundation*, Barcelona (20 hours).
